

P.F.C. goes berserk in P.X.

One morning the PFC ran out of Personna double edge blades. So did the PX.

Now, the friendly man at the PX tried to persuade the PFC to try a double edge blade other than Personna.

The PFC got a little upset.

The friendly man at the PX tried to persuade the PFC to try an injector blade.

The PFC got a little more upset.

The friendly man at the PX laughed.

The PFC didn't.

The man at the PX spent the rest

of the morning repairing the store.

In the afternoon he ordered a goodly supply of Personna Super Stainless Double Edge blades (5's and 10's) and Personna Super Stainless Injector blades (7's and 11's) and tranquilizers (100's).
